

Raise the Roof – A Ribchester Heritage Appeal

- Online resources to help you fundraise -

Donate and fundraise

Donate directly or create a fundraising page supporting this cause using MYDonate from BT.

This is an online giving platform, just like JustGiving, but crucially they take less from us in processing fees!

You can also add Gift Aid to your donation, making 25% more money for St Wilfrid's.

If you are raising money from friends and family – why not create your own online page – linked to our charity – which you can use to share online and collect pledges?

To get started go to www.mydonate.bt.com.

It's very easy to use. You can either search for our page – just enter 'Ribchester' in the **Search for a Charity** box – or to set up a page click on **Start Fundraising**.

There is also a direct link to our online donations page from the homepage of our own website, which is www.raisetheroof.online.

There's plenty of information about the campaign and fundraising events on this website, so please have a good look around while you're there!

Spread the word

You can also support us online by telling your friends online contacts about this appeal.

Like and share our Facebook page, posts and events to make more people aware.

Find our Facebook page at www.facebook.com/raisetheroofonline.
